Call for Papers

The 2015 Australian Control Conference (AUCC 2015) will be held on 05-06 November 2015 in the City of Gold Coast at Griffith University Gold Coast campus.

The Australian Control Conference is a conference series that is organised by Engineers Australia through its National Committee for Automation, Control and Instrumentation, NCACI.

AUCC 2015 will provide a forum for Australian researchers, students and control engineers from universities, industry and government organisations to exchange ideas and recent results, as well as discuss current problems arising in control engineering research and industrial practice. International contributions are encouraged and will be solicited for.

Two types of contributions are sought:

- Regular papers:
 - Initial submission: up to 6 pages
 - Final submission: 3 pages (recommended); up to 6 pages (permitted)
- Practitioner papers:
 - Initial submission: an abstract
 - Final submission: 2 pages (recommended); up to 6 pages (permitted)

The proceedings will be available from the Engineers Australia Online Library as well as from IEEE Xplore.

Technical sponsorship is being sought from the IEEE Control Systems Society, IFAC and the Asian Control Association.
